Tomahawk Sourcing, LLC is a Vets First Verified SDVOSB founded in 2021, headquartered in Springdale, Arkansas, and serving the Defense Logistics Agency and other federal buyers nationwide. Owned by Kenneth Clay Galloway — USMC veteran, MBA, Certified Energy Manager (AEE #18269), and 25+ years of enterprise commercial sales leadership — we operate as a reseller-ready prime for DLA solicitations. We bid set-aside, small-business, and unrestricted requirements through DIBBS, source from authorized OEM distributors and qualified manufacturers, and execute the full procurement lifecycle: VSM logistics, MIL-STD packaging, WAWF invoicing, and CMMC-aligned cybersecurity hygiene.

DLA EXECUTION CAPABILITIES

Reseller-ready for DLA Land & Maritime, DLA Troop Support, DLA Aviation, and other DLA supply organizations.

- DIBBS-fluent — solicitation review, NSN match, alternate-source justification
- NSN and non-NSN commercial parts across mechanical, electrical, electronic
- MIL-STD-2073 packaging & MIL-STD-129 marking through partner network
- Vendor Shipment Module (VSM) logistics & pickup coordination
- WAWF / iRAPT invoicing and clean closeout documentation
- Same-day quote turnaround for set-aside RFQs
- Direct OEM and authorized-distributor relationships — factory pricing and accurate lead times
- Aircraft parts & ground support, motor vehicle parts & brake systems
- Industrial valves, fluid power components, fittings, hardware
- Safety systems: gas detection, sensors, calibration kits, PPE
