

TOMAHAWK SOURCING, LLC

Vets First Verified SDVOSB | Federal Sourcing & Procurement Partner

VA CAPABILITY STATEMENT

VA VENDOR #34076 • FMS #87120404301 • UEI: XWDNC6AMTR85 • CAGE: 8WR47 • DUNS: 117980640
(479) 305-7996 (Office) • (479) 530-8216 (Cell) • kgalloway@tomahawksourcing.com • www.tomahawksourcing.com

Tomahawk Sourcing, LLC is a Vets First Verified SDVOSB founded in 2021 (Springdale, AR) and an active VA vendor supporting VA medical centers nationwide. Owned by Kenneth Clay Galloway — USMC veteran, MBA, Certified Energy Manager (AEE #18269), 25+ years enterprise commercial refrigeration and facility-systems leadership — Tomahawk supplies VA Plant Operations, Engineering, Biomedical Engineering, EMS, and Facilities teams with same-day quotes, GPC-friendly micro-purchase fulfillment, and one SDVOSB point of contact from RFQ through delivery.

VA SUPPORT CAPABILITIES

- **Micro-purchases under the \$15K GPC threshold** — same-day quotes, GPC payment, no PO friction
- **Pumps, motors, valves & controls** — repair parts & replacements for facility-critical mechanical systems
- **Electrical, HVAC, plumbing & mechanical parts** — switchgear, switches, fittings, fixtures, drives
- **Safety systems & gas detection** — MSA Authorized DoD/VA Distributor: fixed gas, flame, sensors, calibration
- **Computer equipment & networking** — servers, storage, IPVM/PoE devices, structured cabling
- **Specialty fabrication** — stainless steel grilles, custom sheet metal, structural rigging
- **Boiler & chiller plant supply** — blowdown components, glycol, replacement parts, MSA flame safeguards
- **Recurring facility supply** — Propylene Glycol, Vital Oxide, MRO consumables, infection-control supplies
- **Emergency field service dispatch** — qualified subcontractor technicians across every mechanical trade
- **Long-term maintenance contracts & large solicitations** — Vets First Verified set-aside ready

RECENT VA AWARDS

VA PO	CATEGORY	AMOUNT
516-R6A372	Tencarva — Pumps	\$8,854
516-R6A156	Tencarva — Pumps	\$14,282
516-6QA895	Tencarva — Pumps	\$14,282
516-6QA990	Ubiquiti — Computer Equip.	\$3,964
516-R6A240	C Stewart — SS Grilles	\$1,854
516-R6A673	Anderson Process — Boiler	\$3,689
516-R6A827	Metrix — 440 Switch	\$8,807
516-R6A991	Bear Security — IPVM-12	\$3,389

NOTABLE — BAY PINES VAMC. Emergency MSA gas detection replacement: identified the failed component, sourced direct through MSA, shipped, confirmed delivery, cleared paperwork — without the contracting officer coordinating between vendors.

OPEN TO MARKET RESEARCH, SOURCES SOUGHT & PRE-SOLICITATION OUTREACH. Tomahawk Sourcing welcomes Sources Sought notices, RFIs, draft RFQs, and pre-solicitation engagements from VA Contracting Officers and Acquisition staff. Contact Kenneth Clay Galloway directly to discuss capability fit, pricing trends, OEM availability, set-aside qualification, or upcoming requirements — phone or email above.

VA-RELEVANT SPECIALTY SERVICES & CONSULTING

Refrigeration & Refrigerant Transition Consulting. CEM-certified guidance on AIM Act compliance, CO₂ / R290 / A2L systems, capital planning, and TCO analysis for VA medical centers, food service, lab, and pharmaceutical cold storage.

Energy Management & ECM Consulting. Certified Energy Manager (AEE #18269) services — energy audits, ECM planning, and energy efficiency program development for VA Plant Operations.

Emergency Field Service Subcontracting. Dispatch of qualified subcontractor technicians for after-hours service calls across HVAC, refrigeration, chillers, boilers, plumbing, electrical, switchgear, controls, elevators. One SDVOSB POC manages dispatch through paperwork.

AUTHORIZED OEM DISTRIBUTOR PARTNERSHIPS

MSA Safety (Authorized DoD/VA Distributor) — Fixed gas & flame detection, sensors, calibration kits, PPE.

Memkor (Authorized DoD/VA Distributor) — Industrial & military-grade SSDs and storage for servers, automation.

Loos & Co (Authorized DoD Distributor) — Wire rope, aircraft cable, fittings — elevator / lift / load-bearing systems.

Orison Marketing (Authorized DoD/VA Distributor) — Propylene Glycol for chiller / HVAC; Vital Oxide for sanitation.

CERTIFICATIONS & COMPLIANCE

- Vets First Verified SDVOSB — May 2022 – May 2027
- Active VA vendor — FMS-registered, GPC-accepting
- Certified Energy Manager (AEE #18269) — through Dec 2027
- CMMC Level 1; NIST SP 800-171 assessed; SPRS aligned
- Joint Certification Program (JCP) Certificate Holder

HOW TO ENGAGE

Send a part number, NSN, manufacturer, datasheet, drawing, photo, or plain-language description. **We** source exact-match OEM, qualify alternates, verify compatibility, deliver same-day quotes, and support GPC and PO micro-purchases nationwide.
